

# TEMPORARY FENCE WEIGHT

## TEMPORARY FENCING

Hi-vis ballast weight for temporary fencing. The alternative to sandbags, which does not decompose or leave debris on site. Unlike sandbags, the temporary fence weight is durable and reusable, time and time again.

## PRODUCT RANGE

## TEMPORARY FENCE WEIGHT

### Usage Benefits

- ▶ Fits securely over most metal stands and OxStand, keeping fence panels upright
- ▶ Flexibility to stack multiple weights when heavy wind situations warrant more ballast
- ▶ Carry multiple weights at once using the internal handles
- ▶ Reduce trip hazards with the low profile and hi-vis edges
- ▶ Reduce callouts due to fences falling over
- ▶ A closed loop recycling product: made of recycled PVC
- ▶ Inquire about minimum quantity orders for customization on yellow inserts or all-weather colored stickers
- ▶ Easy to stack, store, and transport
