OUR FABRICATION IS SUPERIOR. WE'RE COMMITTED TO THE STRONGEST AND THE BEST, SO EVERY BALL FABRICS WINDSCREEN COMES WITH:

- The heaviest, strongest hems in the industry
- Bonded UV protected thread
- Grommets spaced at 12" with 3 per corner to keep it on your fence

NETTING

PROTECT THE FANS.

BATTING CAGES

PROTECT THE PLAYERS.

NETTING products are designed and manufactured to meet demanding specifications.

Our attention to detail makes a huge difference in appearance, ease of maintenance and durability.

We solution dye our netting twine before it is knotted. Then, we add an additional UV-bonded coating for maximum outdoor longevity.

Our process ensures the netting is thoroughly treated. Because true endurance has to be built in at every step, we custom fabricate each netting order using high-quality materials and superior workmanship.

- High-grade knotted nylon
- Every section custom fabricated to your specific measurements
- Each net bordered with a 5/16" poly rope for easy attachment
- Borders are hog-ringed every 18" to prevent abrasion
- Sewn rope border also available
- Installation hardware available with instructions

BATTING CAGES can provide a safe and secure practice area for hitting.

- Roped borders at strategic areas for installation and maintenance
- Custom made: single, double, or triple cages with divider panels
- Installation hardware available
- Custom sizes made to fit your facility

BLEACHER WRAPS can turn your seating area into a bold, colorful welcome for your fans.

Fabricated from high-quality outdoor fabrics and printed with your choice of graphics, our bleacher wraps conceal bleacher frames and supports.

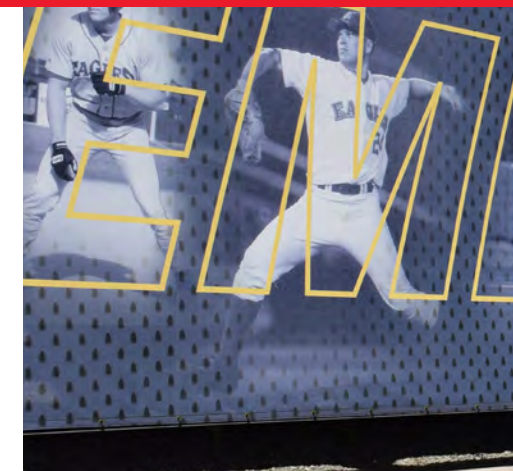

Our patent-pending mounting system easily installs our bleacher wraps on any structure for a smooth, professional fit and finish.

Video tutorials give you step-by-step instructions to measure your bleachers accurately, and then show you how to install the wraps easily.

BLEACHER WRAPS

SHOW OFF TEAM PRIDE.

BRANDING + GRAPHICS

Strategically separate your venue from the competition by letting them know whose house they're playing in.

Your fence can remind fans who to cheer for and the other team who they're up against.

Brand your facility with more than a name. You can add mascots, logos, illustrations and even photos.

- Quality UV inks
- Digital printing and screen-printing options
- Customer service team that will help turn your vision into works of art
- Ball Fabrics offers additional UV coating to protect fabrics for extended longevity. Ask us about it.

Our advanced, high-quality printing and graphics capabilities make it easy for you to enhance and brand every athletic field, court or park setting.
