## ABOUT MAYNE

---

Founded in 2006, Mayne Inc. began by solely designing and manufacturing mail posts.

Since Mayne's inception, the company has grown significantly. We now design and produce a large line of outdoor décor, perfect for outfitting your home and garden.

We strive for excellence in all that we do. That's why we put our customers first, use high-quality material sourced from the United States and Canada, and back up our products with a 15-year residential warranty.

We're proud to offer quality products that are designed in Canada and made in the USA.

Classic inset panels and defined lines make the Fairfield Collection a timeless design.

- Offers the look of wood without the maintenance
- Contains a self-watering feature (residential sizes only)
- Built-in UV inhibitors prevent fading
- Made from 100% high-grade polyethylene

# COLOR SCHEME

Our standard line is made up of classic colors that will never go out of style. This color palette includes black, white, espresso and graphite grey. Outfit your space with these standard colors to create a timeless look or work with us to create a custom color to give your space a modern twist. Minimum order quantities are required for custom colors.

# CUSTOM DESIGNS

At Mayne, design is at the heart of everything we do. Partner with us to create a product that defines the next big trend or let us help you develop your own ideas.

Our in-house design team focuses on products that are functional, stylish, and aesthetically pleasing. We do this by taking the time to consider how a product will be used, the environments it will be exposed to, and its expected life cycle.

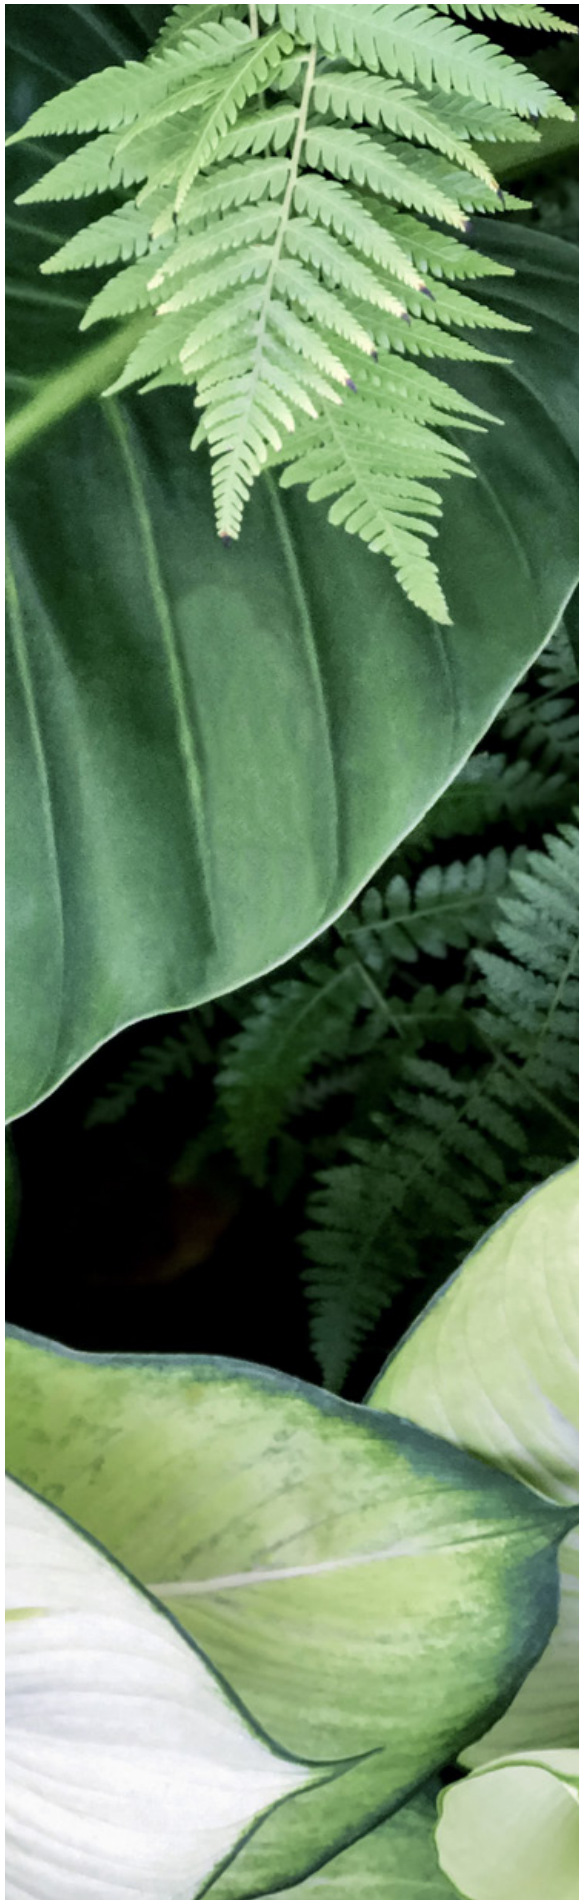

From concept to creation, we're here to bring your ideas to life. Interested in a custom design? Connect with our sales team at [sales@gomayne.com](mailto:sales@gomayne.com).

# CUSTOMER SERVICE

Mayne's commitment to quality further extends to our customer service activities.

We have always been a customer driven company and that is why customer service at Mayne is second to none. Whether you are an individual customer buying their first planter or a multi-million-dollar distributor, you will get to experience the same personalized, top-quality assistance that we have come to be known by.

For customer service inquiries email [customerservice@gomayne.com](mailto:customerservice@gomayne.com) or call toll free at 866-363-8834. For more information visit [gomayne.com](http://gomayne.com).

# MAYNE COMMERCIAL

Whether you own a small shop or a large hotel, we've designed a line of high-quality planters, towel valets, waste bins, and mail posts ideal for outfitting your commercial property.

## Hotels

Outfit your lobby with Mayne planters or add a Mayne towel valet to your pool area. While our standard neutral palette complements every space, you can work with us on creating a color that is uniquely you!

## Homeowner Associations

We offer an extensive line of mail posts that are proudly made in the US. Whether you go with the classic Signature Mail Post or our contemporary Manchester Mail Post - we have something for every aesthetic!

## Design Firms

Our planters are made from 100% high-grade polyethylene, making them lightweight and strong. Designers don't need to choose between style and sturdiness anymore - they can have both with Mayne products.
