LMT produces a wide selection of wiring products to make installation quick and easy. Multiple harness lengths and various splitters, allows for simple “plug and play” with no cutting or splicing. We also offer transformers in both 12 and 50 watt configurations that are perfectly matched to power the number of lights in your installation with optional dimmers and remotes.

# 50 Watt LED Low Voltage

## Smart Power Supply w/photo eye, timer, and Smart Connectivity

50 Watt, 12 Volt DC, 4.2 Amps Programmable Smart Power Supply compatible with Amazon Alexa and Google Home. 4’ output wire lead with molded Tee connector, and 5’ wired remote photocell. Built in “Smart Phone Connectivity” controls, LED dimmer, timer (1-8 hours or dusk to dawn), teachable photo eye, and diagnostic troubleshooting modes. Android and iPhone apps available. Add up the total wattage of all the bulbs you will be using. This will give you an estimate of which size lighting transformer you will need. Will power approximately a maximum of 65 each (0.8 Watts) lights.

# 12 Volt/12 Watt

## Power Supply w/ Photo Eye

12 Watt, 12 Volt DC, 1 AMPs with 9’ wire lead with female connector and a TEE connector. Add up the total wattage of all the bulbs you will be using. This will give you an estimate of which size lighting transformer you will need. Will power approximately a maximum of 16 each (0.8 Watts) lights.

# Dimmer for 12 Watt LED

## Low Voltage Power Supply w/ Remote

For Use With 12 Volt / 12 Watt Power Supply, Installed Between Transformer and Photo Eye. Includes Remote Control.

With Lights off

## WHY LMT?

Our mission is to provide contractors and homeowners LED lighting solutions that are easy to install, reliable and affordable while offering unsurpassed customer service. Add safety, security, ambiance and increase enjoyment of your outdoor living space.

Unlike most manufacturers of lighting products, LMT has in house electrical engineers that engineer, design, test and add customer support on all lighting products. All LMT products are proudly designed and assembled in the USA.

### Simple and Easy to Install

- No wires to cut – plug together wiring harness
- Single power supply for all lights
- No need for an electrician or electrical permits

### Long Lasting

- Weather resistant connectors and lights
- Long-lasting LED's rated at 50,000 hours
- Housings are durable and UV stable

### Highly Energy Efficient

- Low Voltage DC Power Supply
- Dusk to Dawn light sensor
- Available with enabled Bluetooth® and Wi-Fi Connectivity with Smart Power 50 App on Android and Apple Devices
